Dear Charger Alumni,

As you may know, Central Senior High School has been celebrating its fiftieth anniversary during the 2016/17 school year. In conjunction with this celebration, a special program is being planned for the spring – ***Down Central's Corridors: Fifty Years Later***. I am excited to work alongside devoted teachers, students, staff, and community patrons to preserve and record the history of our beloved high school. It is my hope that this exhibit will promote interest in history, education, and most importantly the Charger Spirit!

This special program will be held on ***Saturday, May 20, 2017*** from ***12 to 4 P.M.*** A display will showcase fifty years of personal memorabilia, photographs, annuals, textiles, and school uniforms. In addition to this exhibit, guided tours will be given, on a rotating basis, of the school campus and a small reception will follow. Additionally, the library will be open for attendees to view annuals and scrapbooks. This will be a wonderful program, and I would love to have your participation in this historic event and reunion!

I am asking current and former Chargers to rekindle their high school memories by loaning items relating to their school experience at C.H.S for this exhibit. Whether it be a school uniform, prom attire, photograph, or personal memento, I would love to include your C.H.S. memory in this display! If you would like to loan an item for this event, the deadline is ***Monday, April 17, 2017***.

I will personally ensure that all items will be cared for and stored properly prior to going on display. Such items will be stored under lock and key with our Principal, Mr. John Long. Each item will then be inventoried and documented for future reference. If you choose to loan a vintage textile, please note that the majority of which will be hung, and select pieces will be displayed on either a dress form or mannequin. More so, I will ensure the pick-up and return of your precious item(s). All items on loan for this exhibit will be returned no later than: ***Sunday, May 28, 2017***.

I hope that you will be able to attend this program and reunion, capturing our dear Central High's history. I am thrilled to have this opportunity to share one of my greatest passions with the community! Your contribution to this program would be greatly appreciated.

Sincerely,

Jonathan A. Clarke
President, C.H.S. Class of 2017
