

## HOMEBOUND SERVICES AVAILABLE TO STUDENTS

Homebound instruction is available to students who are confined for periods that would prevent normal school attendance based upon certification of need by a licensed physician or licensed clinical psychologist. Eligibility is determined by local school personnel on the basis of information submitted. If a student has been identified as disabled, the student's Individual Educational Program (IEP) shall be revised to reflect the delivery of home-based services. Elementary School students should receive a minimum of five hours of home-based instruction per week. Middle School students should receive a minimum of eight hours of homebound instruction per week. High School Students should receive two hours per core academic subject per week; other accommodations on an individualized basis. If appropriate to the needs of the child, the number of instructional hours may vary. Persons interested in homebound instruction shall contact their child's school principal or the Coordinator of Homebound Services at (434) 686-2161 ext. 2234.
